**Proceedings:** (In Chambers) Order Re Plaintiffs' Motion

On October 5, 2012, Plaintiffs sought leave to file a brief in response to LSW's substituted supplemental brief. (Docket Nos. 348 & 346.) Plaintiffs neither filed a properly noticed Motion nor did Plaintiffs avail themselves of the Court's Local Rules regarding applications for ex parte relief. Nevertheless, as Plaintiffs implicitly point out, the Court did not penalize LSW for similar conduct, and thus Plaintiffs state that they "have styled their motion in the same manner as [did] LSW." (See Notice of Motion (Docket No. 348).)

LSW may file its opposition, if any, no later than October 23, 2012. The Court will set the matter for further hearing only in the unlikely event it finds that such further hearing may be helpful to the Court's resolution of the class certification motion.

**IT IS SO ORDERED.**
